#### EXEMPT REPORTING ADVISERS

Exempt Reporting Advisers ("ERA") are investment advisers that are not required to register as investment advisers because they rely on certain exemptions from registration under sections 203(l) and 203(m) of the Investment Advisers Act of 1940 and related rules. Certain state securities regulatory authorities have similar exemptions based on state statutes or regulations. An ERA is required to file a report using Form ADV, but does not complete all items contained in Form ADV that a registered adviser must complete. Other state securities regulatory authorities require an ERA to register as an investment adviser and file a complete Form ADV. Below are the regulators with which an ERA report is filed.
